PRIVATE INFINITY POOL

The Infinity Penthouse

This 300m² sanctuary, featuring an infinity pool in the living room with a retractable glass roof overlooking the hotel grounds and countryside, simply has no equal. With its own private entrance and exclusive bridge directly to the 180 m² terrace, this penthouse is designed for guests that demand the pinnacle of luxury and will settle for nothing else. Private parking, exclusive access to the spa, a private sauna and steam bath, a fully equipped kitchen and use of the Conrad Private Host. The exclusive features of this spectacular penthouse are as varied as they are indulgent. The option to extend into an interconnecting Twin room is ideal for those travelling with their family.
