WHAT'S NEW

This summer, we drew inspiration from the wildest theories and the most comforting flavours.

They say the end is near. We say: let it come with soulful dishes and happy bellies.

We created two recipes to withstand the collapse, or at least, the stress of everyday life.

Final Times Pork €15,90

If this is the end, let it be served with potatoes.

Old-style fried pork, baby potatoes, mushrooms, pickles and olives. A feast to remember.

Fish Pasta at the Edge of the Apocalypse €14,90

When all else fails, this one saves the day:

Fish, rich broth, and that homemade flavour.

Perfect for facing the end with a spoon in hand.
