Oceans of Fun

· Under close watch from the ocean! ·

Join in to one of the most thrilling nights of your life and explore our aquarium in the dark. Make sure to be as sensory ready as possible as we have prepared some real challenges for all!

Join us in a dimly lit treasure hunt and guess what? The hunt may push you to a realm of unexpected challenges. You may even need to find the answers with your eyes closed!

After so much fun and learning, it's time to see a movie and give rest to the brave participants.

More information?

The price is 50 euros per participant.
The time is from 20:30 on Saturday to 9:00 on Sunday!
Each program may have up to 15 participants between the ages of 8 and 12!

What participants should bring with them:

Sleeping bag;
Pajamas;
Pillow (optional);
Good mood (mandatory)!

Save the dates (Saturday night):

July 06th, July 20th, August 3rd, August 17th,
August 31st

Early morning and it's time to wake up! Eat your breakfast and smell the fish... what?!? That's right! Next stop: backstage action! Feel the vibe of being a fish caretaker and, meanwhile, get to feed our sharks and rays.

Parents are welcome to visit the aquarium at dawn and participate in the last part of the experience, with the brave adventurous.

What's included?

Late supper (Saturday) and breakfast (Sunday);
Participant's insurance;
Ocean Education activities;
Continuous monitoring by the team of monitors;
Visit to the aquarium for parents;
Overwhelming fun!

What's not included?

Saturday dinner
