NEW YEAR

19-20 - A CENTURY IN ONE NIGHT

A journey through time remembering the most iconic moments of the past 100 years.

A voyage of the senses, from the roaring 20's, into the elegant 40's, through to the rocking 60's, passing by the 80's disco age and into the 21st century with the awakening of self-awareness, living in harmony with oneself and the world around us.

After all, 2020 is the year to live life with optimism and enthusiasm!

Happy New Year!
