FESTIVE PROGRAMME  
2017/2018

*Have yourself a merry little Christmas  
Let your heart be light  
From now on your troubles will be out of sight...*

“Christmas is the season for kindling the fire of hospitality.”  
— Washington Irving

This year marks an important occasion in Columbia Beach Resort’s timeline. Having undergone a landmark metamorphosis that witnessed the addition of a host of facilities and amenities, 2017 has come to represent the power of renewal: of welcoming a renaissance.

As we approach the New Year, the fire of hospitality continues to burn brightly in our hearts, with this Christmas being our opportunity to share with our guests the full force of what this means. And so it is that our festive season programme is bursting at the seams with nostalgia-inducing, joy-filling, warmth-inspiring, and family-friendly activities.

Whilst staying with us, be our guest in letting your cares drift away, indulging in the quality time you have long coveted and well deserve, and have yourselves a truly very merry Christmas.
