Where time stands still...

Our Spa name, Hébe, is inspired by the Greek goddess of youth of the same name. Hébe was the only daughter of 3 children born to Zeus and Hera, and known as the cup-bearer of ambrosia, the divine nectar which claimed to bring the gods eternal youth. As portrayed in our logo design, Hébe also means “Flower of Youth” and is a rare, yet versatile, flowering evergreen shrub. The Hébe wild flower can be found in a stunning collection of bright foliage varieties: pink, purple, silver and white; it is a firm favourite with butterflies, themselves a symbol of beauty and renewal!

The 1,050sq m award winning Hébe Spa boasts six treatment rooms, Jacuzzi, plunge pool, sauna, steam room, tennis and squash courts, fully equipped gym, and an aerobics studio with regularly scheduled fitness and yoga classes. Guests can relax in the Temple Lounge after treatments, furnished with low beds and mountains of pillows.

A cocoon seating area is enclosed by white drapes for discreet consultations before therapies commence. The main hall, which houses the spa reception and retail area, is dominated by a heated indoor swimming pool(in winter months), which flows into the outdoor lagoon-style infinity pool.

Last, but not least, the finest selection of treatments from the world’s best known Spa brand will suit everyone’s needs.

Enjoy the journey!

Hébe Spa Signature Treatments
