

# Background

Nicosia now has a zoological park in Agios Trimithias....  
**"MELIOS ZOO"**

Many of you are already familiar with the name 'Melios' and its association with birds & animals and those who are not will discover something truly wonderful. The owner, Menelaos Menelaou, strong passion for birds & animals is what has allowed him over the last 25 years to create such an amazing place filled with a collection of birds and animals from around the world that has today evolved into 'MELIOS ZOO'.

Eagles, Hawks and Owls

Warthog, Wild Pig

# Rare and Exotic

There are thousands of birds and animals for you to see, and visitors will be impressed by the variety that is available from the rare & exotic to the cute & unusual and birds & animals that are unique in Cyprus.

Melios has not got a favourite bird or animal in the park and gives his love to them all without making exceptions, as they all have their unique character and beauty even the tiny Zebra finch.

The Friendly Talking Parrots

The amazing array of colours found in the birds

Mandarin Duck

The Large variety of ducks, geese, swan, pheasant, partridge and chickens

The birds & animals are housed amongst trees, bushes and aromatic shrubs with paths that lead you in and around the park. The atmosphere that Melios has managed to create is filled with different emotions, excitement because you can't wait to see what the next bird or animal will be, the sounds that you can hear near and far, it's enjoyable, It's relaxing... so much so that you will not want to leave!!

Capybara

The cute and friendly sheep & goats

Within the grounds is a cafeteria that offers snacks, ice cream and drinks and is conveniently positioned right next to the children's playground so parents can take some time out.

The long-legged Kangaroos

The striking Zebras

The Playground & The Cafeteria
