Timing

We kindly ask that you arrive at least 15 minutes before your treatment time is due, to fill out a consultation/health questionnaire and familiarize yourself with the spa environment.

Booking your appointment

It's recommended to make your reservation in advance. Reservations must be secured with a credit card, telephone number and the hotel room number.

Cancellation / Late arrival

Please give a minimum of six (6) hours notice if you have to cancel your appointment. All no-show appointments will be charged at 50% of the treatment price. Arriving late will probably lessen the time of your treatment, so that the next customer not be delayed.

Prepare yourself

It's always good to have a shower prior to your treatment for sanitary reasons and for your skin to be ready to accept the benefits of the treatment and of the products used. Bringing with you a swimming suit might be useful in some of the spa areas or treatments.

Personal belongings

Bring with you only the most necessary accessories and personal belongings. You will be given a safe locker for your needs, but we advise you not to bring with you valuable belongings for your own safety. Cell phone usage is not welcome in the spa area, so that the serenity of the place and other customers not to be disturbed.
