Wine Tour

A journey of flavors
and senses!

Don't miss the opportunity to experience the most beautiful sunset in the world while drinking the international award winning distinguished wines of Santorini.

Discover the secrets of grape cultivation and wine making in two different wineries. Choose a table on the balcony of the last winery located on the edge of the cliff, offering breathtaking views of the Caldera. Just before sunset unfolds, a bottle of rose, white or red wine of your preference is served with local delicacies.

Akrotiri Tour

The Greek historical splendor!

Seize the opportunity to walk through the streets of the 3600 year old preserved Minoan town of Akrotiri. Experience the past, through the everyday life and images of an ancient town, in perfect condition, referred often as “Prehistoric Pompei”. Under a thick layer of volcanic ash, archaeologists found multistoried buildings, wall paintings, furniture, vessels and a draining system. These findings - among others - indicate the existence of a high developed and prosperous civilization. The grandeur of Greek History!

Tour Details:
