Create your own **bossa sharing experience**.
by selecting your favorite dishes.

Below you can find our general line up for a catered event. Select. Email us. We'll contact you about making your event unforgettable!

Any special requests can at most times be added and are encouraged. After all it is your event!

bossa obviously.

Vive um mix.

We are a family owned and operated business, inspired by the traits of some of the most iconic countries & what they have to offer.

Natural products and food made with love! We aim to transmit simplicity, nature and joyfulness.

We translate these values into our products and environments in order to offer our customers: "An Experience". For this reason, we value craftsmanship, small producers and a family atmosphere.
