YACHT CATALOGUE 2023

Low season rates apply for all our boats, ask for more details

Catering- *All of our yachts have soft drinks on board however rest assured we can also take care of all of your catering needs with a full pre-stock of the drinks you prefer and everything from a light snack box style to more gourmet platters or even providing a chef on board if the galley kitchen facilitates the service. Find out more about our catering services*

Information - *On all boats you can sit on the front, towels are provided and during the trip the captain can moor anywhere so that you can swim in the sea. Going ashore to specific beach clubs, for example, is possible to organise where the nautical lanes or pick up services are available however it does lose a lot of the charter time so we only recommend doing this on a full day charter. Please note that pets are not allowed on board.*

WE LOOK FORWARD TO SAILING WITH YOU THIS
SUMMER!
