About Yacht Charter

My Local Concierge can organise your entire Yachting experience here in Marbella. Yachting is suitable for all the family and is often the most memorable part of your holiday or trip to the Costa Del Sol.

Choose your boat, select the period of time you wish to sail and we will take care of the rest!

All of our boats have a music system on board with mp3 connection and include captain, crew (when necessary), fuel & soft drinks.

Our team can also take care of all catering requirements whether you wish to have a gourmet buffet or just a few light snacks. We can also provide a full bottle service on board and upon request. Prices of catering and drinks are in addition to the charter prices.

If you require transport to and from the port we can also arrange this for you so please feel free to ask when making the enquiry.
