This is the perfect treatment for anyone who would like an introduction to Stone Therapy, you will experience the warmth and comfort of the healing stones. The careful placing of the stones combined with a flowing back massage will melt back tension away.

Duration 30 min

Price 25 eur

Hot stone head and neck massage

A hot stone massage is brilliant for relaxing the muscles and taking the tension and stiffness away from the head and neck areas.

Duration 30 min

Price 21 eur

Complete massage

Hot stone massage

This treatment starts with Hot stones being placed on the front of the body paying attention to the chakra points to energising and re-balancing the body. Your therapist then massages the body using a hot stone and a suitable massage oil specially selected for your needs. Hot and cold stones are used alternately to create a unique and individual treatment to relax, revive, refresh and re-balance the whole body.

Duration 60 min

Price 58 eur

Hot poultice

A rebalancing, rhythmic massage using heated poultices, which are applied to the body to relax the muscles, release tension and nourish the skin. Soothing facial pressures provide a meditative introduction whilst the oil and poultices are being heated. Gently warmed oils are drizzled all over the body to enhance this treatment. The steamed compresses are then tapped, pressed and used to complement various massage techniques. Massage and gentle stretching techniques are combined to create a flowing and nurturing journey into well-being and relaxation.

Duration 60 min

Price 49 eur

Aromatherapy

Aromatherapy is a truly holistic massage therapy, using essential oils to relax the senses and calm the mind.

Duration 60 min

Price 46 eur

Chocolate massage

Chocolate massage is a good way to find a balance after a stressful period and to reward yourself. It is a unique, luxurious and affordable gift for a partner or a special friend. The smell of chocolate stimulates the release of the happiness hormone in the brain, which is the first step towards relaxation. It contains vitamins A, B, C and mineral salts, which stimulates the formation of collagen, with lifting effect on skin, leaving it soft and smooth.

Duration 60 min

Price 51 eur

Body energy holistic massage

A mixture of oils and extract with high antioxidant effect enriched with vitamin C, stimulate a sense of well being and balance the muscle tone of your body. This massage reduces physical fatigue and orange oil improves the vital forces of the body and resistance to external stress.

Duration 60 min

Price 49 eur

Mind relaxing holistic massage

In stress conditions that generates mental fatigue and tension, large amounts of catabolites and endogenous free radicals are released that cause muscular tension, irritation to the skin surface and leads to a weakening of the immune and vital forces of the body. Based on the calming, soothing, vaso-protective and modular operation, strengthens the defense forces. Vanilla oil makes the skin more even, smoother, and gives you a pleasant wellness moments.

Duration 60 min

Price 49 eur

Soul regenerating holistic massage

This treatment is for condition of great emotional exhaustion and fatigue that leads to general physical exhaustion. Ideal for restoring optimal hydration and activate skin metabolism. Revitalizing coconut oil, perfect for stimulating the mind and bod, contribute to complete sense of relaxation during a massage giving a skin a real sense of well-being.

Duration 60 min

Price 49 eur

Deep tissue massage

The massage focuses on relieving tension and aching muscles. The fundamental elements of the deep tissue muscle massage are experienced in deep pressure, firm massage using specially blended massage oils. This treatment can be tailor-made to suit the individual needs of a client.

Duration 60 min

Price 53 eur

Lymphatic drainage

Manual lymphatic drainage is a type of gentle massage which is intended to encourage the natural drainage of the lymph, which carries waste products away from the tissues back toward the heart. A therapist stimulates the lymph system with extremely light, circular pumping movements. By stimulating the lymphatic system, the therapist helps drain puffy, swollen tissues, supports the body's immune system, helps the body heal from surgery, and aids in the body's natural waste removal or detoxification.

Duration 60 min

Price 46 eur

Anti-cellulite massage

Manual therapy, which removes the layer of fat beneath the skin accumulated in the shape of "orange peel". The method has a pronounced cosmetic effect. It is performed with the use of special manual techniques and essential oils.

Manual massage is the best-known and affordable method of treating cellulite. It ensures blood flow to tissues, promoting the burning of fat, bringing fresh nutrients and ensuring the dispersing of lymphatic accumulations.

Duration 50 min

Price 30 eur

Anti-cellulite package

7 days

Price 194 eur

Treatment packages
