Our horses are bred and raised on the farm and are quality warmblood horses. All horses well trained and fed. English tack or trail saddles are used. We supply hard hats, gloves and mini-chaps to the riders. Hard hats are compulsary. All trails are personalized and guided by an experienced guide. Rides are conducted following level of experience of riders, this level is assessed by the trail guide. Riders maximum weight limit is 90 kg for outrides and 80kg for Trail Rides. All rides are exclusive on first come first serve basis. Since we take into account both the needs of rider and horse and carefully prepare and carry out the riding activites, the duration of those may vary slightly. Riding activities for children from 6yrs to 9yrs of age will be on a lead rein . Outrides are done for one group at a time, thus giving riders a very private experience.
