6 Double Rooms
3 Family Rooms

ACCOMMODATION

*The guest farm boasts **three deluxe family suites** located within the main farmhouse. Each suite is designed to accommodate up to three adults.*

The suites feature unique en-suite bathrooms, exotic decor, as well as unstocked mini-bars. Each suite has its own lounge area.

*In addition to this, Corona Guest Farm also has **six standard rooms**, where each room is designed to accommodate two adults. Two of these cozy retreats are nestled within the main farmhouse.*

The standard rooms boast a more modern aesthetic, offering compact yet comfortable spaces. Each room features a double bed.

FACILITIES

- **Swimming Pool**
- **Free Wi-Fi**
- **Bar & Restaurant**
- **Laundry Service**
- **Credit Card (MasterCard or Visa)**
- **Airstrip**

IN THE ROOM

- **Ceiling fans**
- **Tea & Coffee station**
- **Unstocked mini bar fridge**
- **Each suite has its own lounge with a sofa, coffee table and writing desk.**
- **Standard rooms all have a writing desk and chair**

Corona Guest Farm is a self-sustaining oasis spanning approximately 23,000 hectares in central Namibia. Nestled within a region of unparalleled biodiversity, where the majestic Gamsberg mountains converge with the Central Highland ecosystems, the farm offers a unique blend of natural wonders.

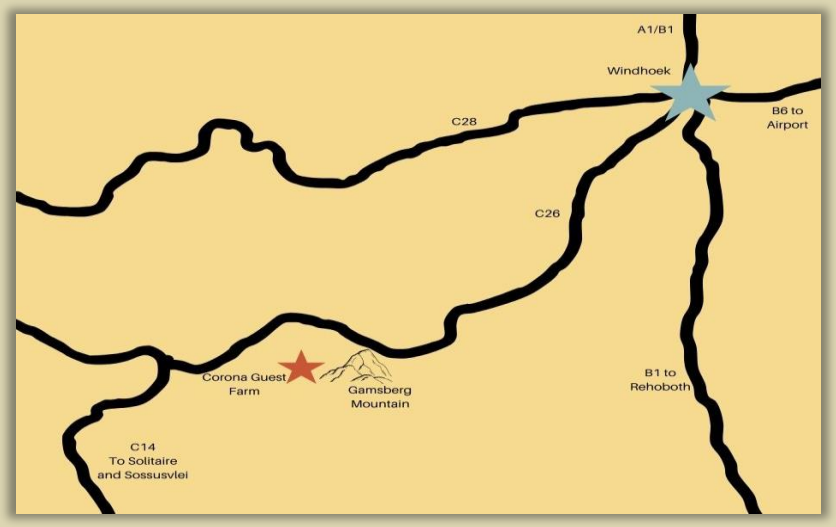

Corona Guest Farm is home to a diverse array of wildlife. Encounter free-roaming herds of Zebra, Kudu, Oryx, and Steenbok, alongside an abundance of other small game species.

The main building is characterized by its high ceilings and comfortable cool temperature. Adorned with a collection of timeless antiques, foreign treasures, and exotic mementos, each with its own unique story, the space exudes charm and character.

ACTIVITIES

***Scenic Drives*:**
Explore the contrasting landscapes with a possible sightings of game such as Kudu, Oryx, Springbok, Warthog, Steenbok, Klipspringer and the rare Mountain Zebra.

Marked Hiking Trails:
Discover, for yourself, the rich variety of flora and fauna unique to this area.

Quiver Trees:
You can visit one of the finest collections of Quiver trees on the farm grounds by foot and observer this unique desert plant endemic to Namibia and North Western part of South Africa.

***Bird Life*:**
The birdlife at Corona is plentiful and spectacular - excellent opportunities to sight many interesting species.

Visit Kuiseb Canyon:
Spectacular but largely unexplored, where two Germans geologist hid during World War II to avoid incarceration. Permit must be obtained from a Nature Conservation Office before visiting.

Bushman Paintings:
Visit ancient bushman rock art from the stone age that hold the most significance illustration display of the native flora and fauna, as well as the rich history of the region at the Gamsberg water point.

After dark:
Take a moment to contemplate the eternal splendour of the starlit African sky far above Corona.
