

## Vehicle Information:

### Toyota FJ Cruiser equipped with camping gear for 2 PAX:

The Toyota FJ Cruiser (4x4) is the ideal solution for a self-drive tour if you want to experience Namibia's nature up close. Other throwback design cues include a nearly vertical windshield with three windshield wipers for maximum surface area ideal for wildlife viewing. The vehicle suited for 2 people.

"Like all other vehicles in its class, this Land Cruiser has an outstanding performance when driving on sand and gravel roads. This car is therefore well equipped to handle challenging off-road terrain."

Engine type: Petrol V6, equipped with a 150l double tank with a calculated range of approx. 800 km on normal roads. This calculation does not apply to dune driving.

Among other things, the vehicle is equipped with automatic 5 gear transmission, rear differential lock, suspension, front air-conditioning, power steering, parking sensors, camera, radio & USB.

External dimensions: Length 4670 (mm), Width 1905 (mm), Height 1830(mm)

The vehicle is equipped with the following: 2 spare wheels, spade, tow rope, starter cables, broom and scoop, jack and wheel spanner, 12V compressor, adjustable luggage straps, fire extinguisher, warning vest, tyre pressure gauge, roof rack.

Please Note:

- From the insurance point of view there are three maximum speeds on our roads:
- Maximum speeds are 60km/h in cities, 80km/h on gravel roads and 120km/h on tar roads
- According to the insurance policy, these maximum speeds may not be exceeded.
- All of our vehicles are equipped with a satellite-aided tachograph.
