

Vehicle Information:

Toyota Land Cruiser HJ 79 with camping gear for 2 people:

Der Toyota Land Cruiser HJ 79 with camping gear for 2 people and 1x roof tent or 1x Igloo tent(Double Cap / all wheel drive) is the ideal solution for a self-drive tour if you want to experience Namibia's nature up close. Bigger tyres and a higher ground clearance than a normal passenger car makes this vehicle comfortable to drive in the open country and provides a better vantage point for animal viewing.

This vehicle can drive on all roads in Southern Africa and is suitable for more challenging terrain such as Namib Desert dune driving and tours to Angola. Only with permission from Africa on Wheels is the vehicle allowed to travel into Angola or on Off-Road-Dune drives.

The HJ 79 has a 130l double tank with a approximate range of 800km.This range does not apply to dune driving.

The HJ 79 4x4 four wheel drive vehicle has V6 engine with a 5 speed manual transmission, it takes unleaded Petrol, is equipped with a built in GPS, air-conditioning, power steering, radio & USB.

Vehicle Dimensions approx. Length: 5,220 mm, Width:1,790mm, Height: 1,970 mm

Equipped with the following: 2 spare wheels, spade, tow rope, starter cables, broom and scoop, jack and wheel spanner, 12V compressor, adjustable luggage straps, fire extinguisher, warning vest, tyre pressure gauge.

Please note:

- From the insurance point of view there are three maximum speeds on our roads:
- Maximum speeds are 60km/h in cities, 80km/h on gravel roads and 120km/h on tar roads

- According to the insurance policy, these maximum speeds may not be exceeded.
- All of our vehicles are equipped with a satellite-aided tachograph
