Nestled in the Karas Mountain, with the dry Goibib River 'running' through the property, Goibib Guest Farm is a tranquil gust farm hideaway between Grunau and Keetmanshoop.

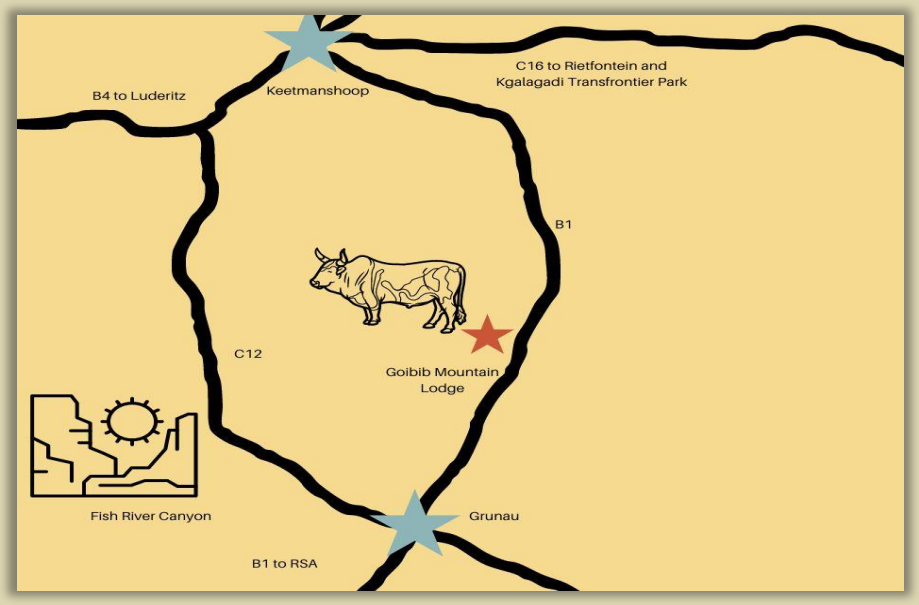

Bring your camera and capture this pristine environment with a variety of wildlife both great and small as well as a sizable herd of majestic Nguni cattle. From wide-angle landscape shots to close-up, macro-photography, which brings the little things to light, the area is a photographer's dream. The curious can even explore the nightlife with fluorescent light and discover the nocturnal world around us.

For guests keen on exploring, Goibib Guest Farm offers nearby attractions with a short two-hour drive. Amidst nature's beauty, observe diverse wildlife in a serene atmosphere. Enjoy the pristine tranquility of this malaria-free region.
