Jackalberry Tented Camp
Nkasa Rupara NP - Namibia

VISA-MASTERCARD SOLAR POWERED FREE WIFI POOL TRANSFERS

Jackalberry Tented Camp, a sister lodge to Nkasa Lupala Tented Camp, forms part of an exclusive activity concession from MEFT and is built inside the Nkasa Rupara National Park, formerly known as Mamili National Park.

Nestled in the heart of the Park, Jackalberry Tented Camp offers an unparalleled escape for nature enthusiasts and photography aficionados. Its exclusive and remote location appeals particularly to seasoned Africa travellers seeking an authentic and undisturbed wilderness experience. While intentionally "no frills," the camp's profound connection with the surrounding nature, coupled with the sustainable ethos of Wild Waters, creates a truly special and immersive stay, perfect for capturing breathtaking moments and embracing the raw beauty of the Zambezi region. (Caprivi).
Children under 16 are not allowed.

The main building is constructed around a huge Jackalberry tree. Its first floor houses the reception, dining, lounge, and bar areas. The second floor features a spacious and comfortable lounge, providing guests with exceptional views of the surrounding areas, while the ground floor boasts a communal fireplace for evening gatherings. Given its remote location, Wi-Fi connectivity may be unreliable.

DIRECTIONS: The Camp is located approximately 100 km south of Kongola (on the B8 road) and 150 km west of Katima Mulilo.

Access to the Tented Camp for the final 26 km is restricted to 4x4 vehicles only. Secure parking is provided for all other vehicles at the Wuparo Conservancy Office, from where guests will be transferred to the lodge. A pick-up fee is applicable and advance arrangement is required, either at the time of booking or by telephone.

The nearest airport is Mpacha Airport (Katima Mulilo). There are regular flights from Windhoek with FlyNamibia. Kasane and Victoria Falls airports are also good options. It's a 4-hour drive to Kasane and a 5 hour and 30 minute drive to Victoria Falls.

Nkasa Rupara National Park was officially proclaimed on 1 March 1990, just days before Namibia gained Independence (it was previously named Mamili NP and Nkasa Lupala).

This is the largest wetland area with conservation status in Namibia and is a haven for wetland species. When the floodwater from the Kwando River are high, Nkasa Rupara NP resembles a mini-Okavango Delta.
