## RITUALS IN THE HAMMAM

**Traditional Turkish Bath** 79€

**Prelude Marine** 99€

Deluxe scrub with sea salts and body detox treatment

**Turkish Hammam** 60 min. 150€

The Turkish bath is a steam bath that tones, relaxes and removes impurities from the skin, giving it elasticity. The hammam also regulates the pressure and releases the airways. Starting with a body scrub with horsehair gloves, mixing cold and warm water jets on a marble bed, our customer will be transported to distant Turkey through oriental music and aromas in our hammam.

# Aphrodite

4 hands - 90 min. 380 €

Because of its delicacy, relaxation and benefits this ritual with shells will open a path to another world of sensations. The energies of conch shells have a calming and relaxing effect combined with thalassic product efficacy stimulates nutrition, oxygenation and cellular regeneration. Aphrodite is a four hands ritual which includes treatment for the face, body and scalp. This ritual provides deep demineralization and general well being.

+ *Bio Facial Gift*

# Cleopatra

90 min. 190 €

The Hammam Ritual is performed with holy oils of incense which rejuvenates the skin and gives a state of serenity.

Wrappings with salts from Dead Sea and fragrant exotic essence, and bath enriched with precious stones and natural perfumes were part from Cleopatra's beauty treatments.

In Dejavu we've created a beauty and health ritual which will make our clients enjoy and feel like a Queen.

You will be submerged and experience the pleasure which will make you stay younger and attractive thanks to the anti-aging effect of the essential oils, the foam and the warm milk.

+ *Bio Facial Gift*

## Apollo

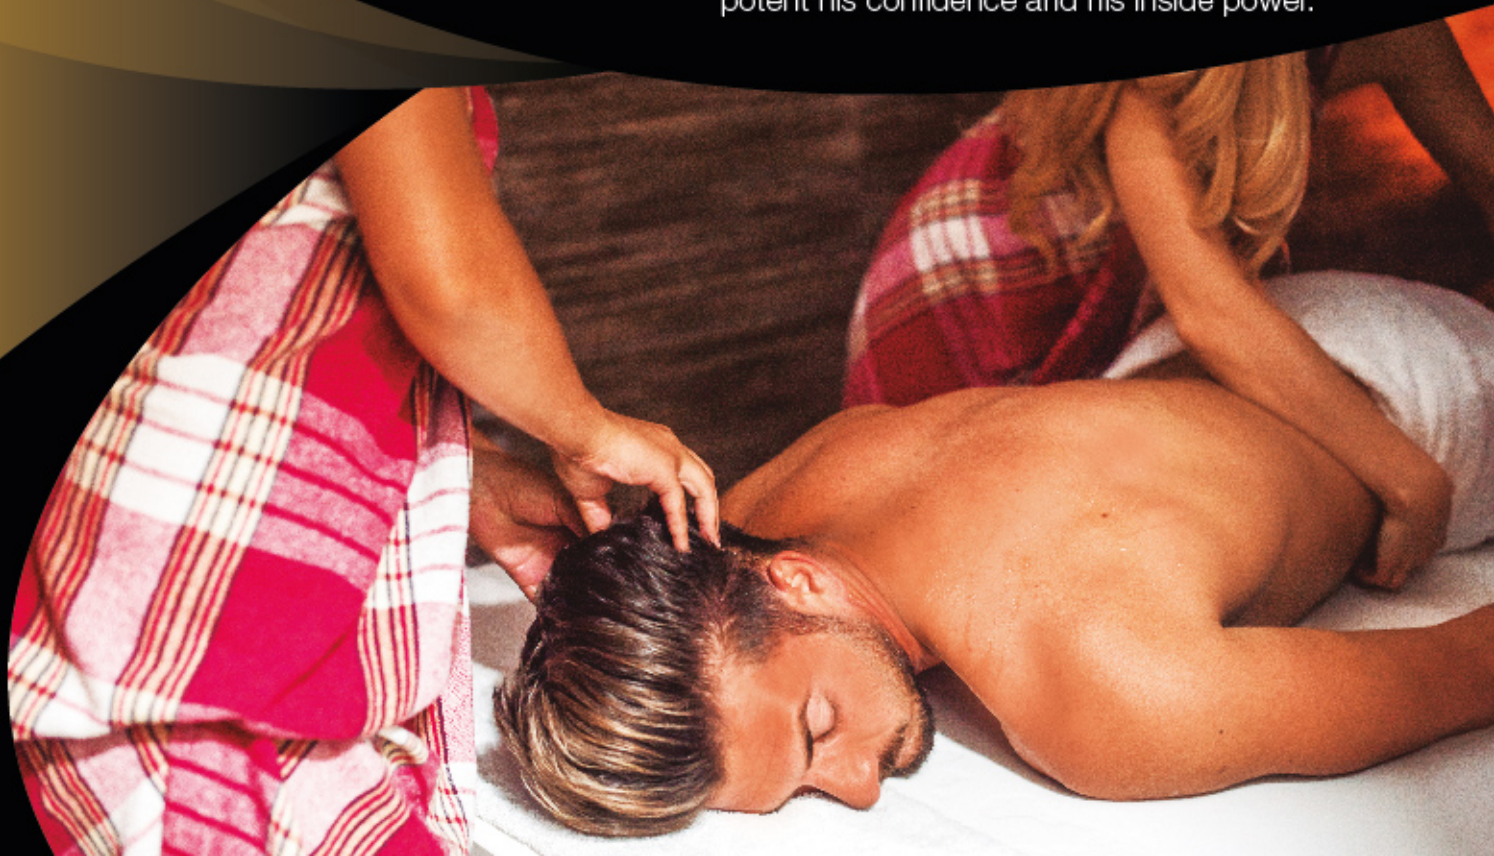

*4 hands - 90 min. 380 €*

Four hands ritual exclusively designated to the man. Two masseurs will take care of your body and mental relax. Exfoliation and massage with foam, followed by massages with feathers. Ritual Apollo keeps some secret details for the most curious people.

## Caesar

*90 min. 190 €*

This it's a beauty facial and body ritual dedicated exclusively to the men is a complete bath of hydration, and oxygenation deeply purifying and detoxifying the body. By using mud and salts of the Dead Sea and the essential oils for the facial and body massage will make the man feel like an authentic Caesar. It brings to the man a sensation of very deep relaxation and wellness which will allowed him to regenerate and rediscover his man essential make more potent his confidence and his inside power.

# Mysterious Turkey

90 min. 210€

Anti stress with essences, silk and feathers. Multisensory massage with spices, silk and feathers.

It combines the use of silk scarf, feathers, aroma therapy and stretching to achieve total relaxation of the body...

It is perfect for nourishing the skin, eliminating tensions and purifying the mind.

The result: a renewed skin and a total sensation of relax.

## Aiur Cure *90 min. 190€*

Vibrational massage with Tibetan Bowls.

The Aiur Cure treatment is one of the most effective ways to slow the aging process of the skin and achieve softness and shine, because it purifies, nourishes and tones a deep cellular level. It works on different levels to reduce stress, improve immune function, revitalize the body and increase energy.

## Chocolate Ritual

90 min. 190 €

The chocolate Hammam is a powerful weapon to combat stress, anxiety or moodiness.

Facial and body masks are made out of chocolate with incredible anti-cellulite and anti-stress method, rejuvenating, slimming and firming.

By enhancing the production of endorphin in our body helps us to lift your spirits and well-being.

The facial ritual is more geared to reduce stress, rejuvenate and tighten skin. Applied on the body it also has a slimming effect and helps reduce cellulite.

## Caresse of the Sea

90 min. 190 €

Relaxing – Anti stress with Shells and Candles. For its exquisiteness, relaxation and benefits, the massage with conch is ideal to transfer the client to another world of sensations.

The energies of shells and conch shells have a soothing and relaxing effect that, together with the effectiveness of thalissi products, stimulates nutrition, oxygenation and cellular regeneration. Beneficial for the body and the mind.

## SPECIAL WEDDINGS

In DeJa Vu we also prepare you for your special day, *the day of your wedding.*

Preparation for brides and grooms. We have worked out a meticulous plan taking care of every detail for the day before, THE WEDDING and after the wedding.

The day before the wedding couples can start their day in our lounge with a delicious coffee, enjoy a relaxing hammam, massage, flash facials, pedicure and manicure, hydration for hair.

And do not forget that the day after our newly married couple needs to recover and relax after the emotions and stress of a wedding. At DeJaVu you can enjoy a soothing massage, Turkish bath, vitamins bath, complete detox and get ready for your honey moon.

*Come and let us be part of this special moment.*

# KIDS MENU Up to 15 years

As a unique and different place in Deja Vu we have a place reserved for the little ones. The center is completely adapted to take care of children or simply entertain them while we are pampering their parents.
