Lorna 'D' is a well-maintained up-market boat with a very practical layout that has resulted in spacious comfort with very pleasant furnishings. She is ideal for parties up to eight people and has a total of four cabins. There are two cabins with double beds and en-suite bathrooms plus two cabins with two single bunks each. There is also a separate shower and a separate toilet, each with a hand wash-basin.

Lorna 'D' boasts a large lounge and dining area, which is air-conditioned for your comfort. There is also a neat foldout table on the rear deck which is ideal for serving meals in the open air during fine weather conditions. There is a spacious top deck area that is partly covered and lightly furnished with garden type table and chairs. The galley is incorporated in the wheelhouse totally separate from the lounge/dining area. There is an ice-making machine in the lounge/dining area to ensure that your drinks are cold. Clients are requested to bring their own CD/tape player and music.

Apart from the comfortable lounge and top deck, there is an intercom telephone between the top deck and galley to save you making those trips up and down between decks.

There are two tender boats that are adequate for 8 people to go fishing and game viewing a second tender boat can be hired at an extra cost.

There is a large cold box on the top deck, and ice-making machine in the lounge, a large deepfreeze in the kitchen and smaller cooler boxes for your game viewing and fishing excursions.

Full catering, rod hire, purchase of tackle and bait can be organised at an extra cost.

The vessel is moored at Marineland Harbour near Caribbea Bay Hotel.
