The legendary Mana Pools is known for its wildlife rich flood plains and magnificent views of the Zambezi River, with the Zambezi Escarpment in Zambia as a dramatic backdrop to the scenery. The river boasts some of Africa's most amazing tiger fishing and adventure canoeing safaris, creating the perfect combination of beauty and fun and making this World Heritage site a must-visit national park. Set in the most remote part of the World Heritage Site in Mana Pools is the Kanga Pan. The camp offers 6 tents with en-suite bathroom facilities with outdoor showers overlooking the water hole. Two of the tents are Honeymoon Tents. The main area has a comfortable lounge and dining area offering you views of a very active water hole. Relax in the lounge under the shade of a mahogany or sit on the deck below near the splash pool and enjoy Kanga – the old Africa in a new era.

The diverse area has multiple vleis, river systems of the Ruckomechi River, and mixed woodland types from Mopane woodland to Jesse bush and riverine forests. Kanga Pan itself is the only known water source in the area available throughout the year, making it a hub for wildlife and a delight to explore on foot. Pristine and undeveloped, this area gives you a pure, unspoilt, private African safari experience.

Besides game drives and walking excursions, an hour's drive brings you to the Zambezi flood plains for canoeing. Long-term stays can also be booked at Chitake Springs (on request). Kanga works well in collaboration with Zambezi Expeditions to provide guests with an overall view of the inland and riverside experiences available in Mana Pools.

### Hwange National Park

Hwange National Park is Zimbabwe's biggest reserve, home to a profusion of wildlife, including giraffe, lion, zebra and approximately 40 000 elephants. It provides sanctuary for all the country's endangered species, including a population of wild dogs thought to be among the most sizeable surviving groups on the continent. Terrain ranges from desert dunes and savannah lands to rocky outcrops and sparse forests, and visitors have the choice of game drives, guided walks or horseback safaris as a means of experiencing the park and its creatures.

### Overnight: Somalisa Camp [View iBrochure](#)

Nestled in a stunning location tucked away on an acacia island along the edge of an ancient seasonal flood plain, Somalisa provides guests with breath-taking views of the savannah plains across the famous Kennedy Vlei line. Recently re-built, Somalisa Camp has upgraded its level of accommodation to that of complete comfort and luxury whilst still maintaining its focus on the guiding and hosting of guests to ensure the ultimate guest experience.

Consisting of seven elegantly furnished Sail Tents with gauze sliding doors, a glass wood-burner fireplace for the cold winter nights, and an overhead fan for the hot summer days, each tent has en suite bathroom facilities including flush toilets, an indoor and outdoor shower, as well as a copper slipper-style bathtub. The main decking area includes split level decking with a separate lounge and dining area, as well as a small splash pool for guests overlooking the "Elephant Pool" and a natural waterhole where herds of game congregate to drink and where guests can relax whilst soaking in the African bush.

Activities include guided walks lead by qualified and passionate guides who will share their knowledge and love of the bush with you, game drives and night drives.
